Dr. King's Dispensary. DR. A. KING, a practitioner of New York, for the last 28 years, has opened a Dispensary on Market street, between First and Second, nearly opposite the Bowles House, for the treatment of Frivate Diseases, such a don orrhea, Syphillis, and all diseases of the skin and other earngements growing out of neglect or imperfect cure. his long experience and success enable him to act with confidence. All those who may onfide their cases to him may rest assured of having the disease effectually cured, and every vestage of the difficulties perferiectly eradicated from their constitutions. and every vestage of the diffi-ulties perferiectly eradicated from their constitutions.

Stractures of old or recent date effectually cured in a few days by an operation which causes no pain. Where a stricture exists, general derangement of the whole constitution must ensue, a continuance of which will bring on a train of symptoms to be dreaded, and will undermine the constitution and cause premature old age.

SEMINAL WEARNESS.—Particular attention will be given to this disease, and all the consequences, growing out of it, brought on, in many cases, by the destructive habits of inconsiderale youth, and excessive indulgence of the passons, which undernine the constitution, rendering the subject unfit for either business, or society, and causing premature old age.

His success in curing all those of the above difficulty, with the exception of a few, of the many hundred patients who have come under his care during the last thirty years of his practice enables him effectualy to restore to health such cases as have been considered incurable. On the contrary, all those who iron neglect or improper treatment, need only expect a train of symptoms to follow, the effect of which will end in their complete nestraction.

Also, all those who are afflicted with any of the following diseases need not despair of being cured: Eyspielas, Scrotula or Kings Evil. White Swellings, Cancer, Salt Rheum or Tetter, Scald Hoad; in fact all diseases arising from impurities of the blood.

Waller, of Fayette county, an old line Whig, but true to the Constitution and the Union, took the stump on Saturday last, and at Keene, Jessamine county, responded to Hon. Geo. Robertson. Mr. Waller's vindication of the South from the dishonorable breach of faith and infraction of plighted honor in the repeal of the Missouri compromise, as charged by Judga Robertgon, was most triumphant.

Mr. Fillmore is in the background and will not be thought of.

R. R. R. Radway's Ready Relief

The EME JIES have been before the public so long, have the performed so many miraculous cures, have restored so many thousands of weak, fe ble and dying invalids to robu t health, have protected whole neighborhoods from sudden attacks of raging pestilence, have been tested and tied with the most astonishing success in the most difficult cases that Hospital Practice and the prevalence of Yellow Fever, Fillious Faver, Spottet Fever, Typhus Fever, Pneumonia Chollera, and all other malignant disorders could furnish, and that, too, by the most celebrated Physicians and Medical Writers in this country, among whom we may mention the names of Page, Stone-Gillen, Francis, Lambert, triffen, Hopkins, and many others well known to the people, and have restored back to lif persons who were dying, and had been given up by all the doctors of merit in the places where they lived, that we deem a short retreence to each of the Three Simple Remidles we use in the R. R. Practice sufficient to warrant the sick, the alling and the diseased to give these life saving and Ready Remedies a fair trial.

life saving and Ready Remedies a fair trial.

Radway's Ready Relief, for all purposes where the body is seized with pain-whether it be of a simple character, or the most thorturing paroxisms; whether it be Toothache or Cholera; whether Headache or Spasms and Cramps; whether aches or pains in the bones or joints, shoulders or back, or the more terrible spasms of Neuralga; whether in the howels or joints, head, back or stomach, Radway's Ready Relief will in a few minutes restore the most terribly afflicted to case and comfort. 11.

Radway's Renovating Resolvent is for the cure of all Chronic and old established diseases; of Humours, Skin Diseases, Scrofula, Eronchitis, Bad Coughs, Dyspepsia, Syphilis, Sores, Ulcers, Tumors, Nodes, Swellings, Radway's Renovating Resolvent has cured the most triphtfully sifficited objects, who were covered from head to foot with holds, Sores and Ulcers. Even when the human body was so irightfully mutisted by the lawa of disease as to render it necessary that the leper should be benished if m the presence of society, and be kept in separate apartments, as the havoc which dissase had made in the human body was so disgusting as to shock and sicken the senses of the most intimate linends. Radway's Renovating Resolvent has given to such objects new and healthy bodies, and filled the veins with a fresh, pure and stream of blood.

RADWAY'S REGULATORS .- The discovery of this las

Radway's Regulators.—The discovery of this last great remedy establishes in medicine entirely new principles, which medical writers and sages have for years in vain sought to discover. In Radway's Regulators we give to the world a cathartic, purgatic, aperient, diuretic, disphoretic, and above all a kegulator of the whole Human Body.

A pill that, while it purges from the body the refuse deposits, it heals all sores, ulcers, or irritations in the bowels or mucuous membranes. Renewed strength follows each operation, and instead of the patient growing weaker by their vacauations as is the result that follows all drastic pills, very organ nerve and issue of the body is strengthened by their healing; cleaning sate of the body is strengthened by their healing; cleaning and regulating efficacy. The use of Radway's Regulators will dispet see enticely with the banetul drug Colomel, Blue Pillor Mercury, in any form; all the good effects either 'the Doctor' on the patient expects to derive from the use of Mercury will be secured by Kndlway's Rigulators, without endan gering tee system by salivating it. Hence the great and important advantage which the discovery of Radway's Regulators secures to the Human Race, in sudden at tacks of Yellow Fever, Typhus Fever, Scriet Fever, Congested, Billious, Renatuent and Intermittent Fevers.—In Chielea, Dysenterry, and all other infectious and malignant maladies, Radway's Regulators are just the remedy required in those malignant cases. They heal all sores and ulcers, either in the bowels or in the coat of the stomach even if the whole intestines were raw and ulcerous along the whole length of the bowels, they will not irritate or occasion any pans; they expel quickly all pois solved in the stemach, withdraw the congested and accumulated humors from the bowels or in the coat of the solvad of the world in the stemach withdraw the congested and accumulated humors trom the interior surface of the bowels, and expel all such humors entirely from the system; and every day. To ladies whose m

Pierson Money, Esq., of Carrollton, Misa., owns a large plantation and works over one hundred negroes on the bottom lands of Mississippi—a section of the country as celebrated for Fever and Ague as the river Styx in ancient my, thology was dreated as a place inlested with evil spirits. While the negroes of other planters are shaking to pieces with ague, Pier on Money's "darkies" are fait, hearty and happy, at work, singing with Joy their songs and sieces with gape, Pier on Money's "darkies" are fait, hearty and happy, at work, singing with Joy their songs and they have Radwey's Ready Relief to guard them. Not one hour's work has neen iost on Mr. Money's plantation by sickness since he began the use of Kadway's Ready Relief to guard them. Not one hour's work has neen iost on Mr. Money's plantation where Radway's Ready Remedies are kept for the use of families and servants, you will be sure to find nealth, happiness and contentiment.

Radway's Relief and Regulators are positive Cures for Fever and Ague, Dysentery, & liliousness, Cholic. Head-ache, Rheamatiss. Nervousness, Costweness, Dyspepsia, Indigeston, and all other diseases on the Stomach, Lun s; Bowels, Kidneys, Nerves, Brain, Liver, Head, Heart, Chest, Edes, Back, &c.

A LUMP OF DEAD DIGNITY On bord of the steamboat Shotwell, on her trip from he worteas to Cincinnat, the cholera had laid on their backs some fitty out of seventy-five passengers, for a few hours the scene was of the most terrible character.—Among the passengers were two regular decors and a staunch rirend of Rasway's Ready Relief. The two doctors to a unier their care the patients in the lades' saloon and the patients on one side of the forward saloon. The R. R. R. iriend took the deck passengers and the cabin patents greated, and before the two doctors got out of the lades' saloon, every one out of the twenty-five dinat where sick, and were treated by the R. M. advocate, and with the assistance of some gentlems in who had withensed its miraculous efficacy, it was applied to all the remaining patients who were quickly relieved from their di treasing and dangerous situations.

The two doctors were now the only sick ones on the boat Dr. W., a man of good sense and liberal views, called for the R. R. advocate. "Slr "said the Doctor." I have made up my mind to try your quack medicine—it out of the power of remedies us d by the regular order of our faculty to cure me; I will, therefore, at the risk of being denounced by the faculty, consent to save my life by the assistance of Radway's Ready Relief." Not sodid Dr. Noo le, he beeing determined to make himself a mar try to the "diraity of the profession," refuses to save his life by a quack medicine." He dashed saide the Life Restoring Remedy, and left as a trophy of his firmness and adherance to foily, a man of dead aignity.

IMPORTANT TO RHEUMATIC EDITORS. HOW JOHN MCWINNIE, ESQ., EDITOR OF THE WOODSTOOK C. W. SENTINEL, WAS SEIZED WITH LUMBAGO, AFFLICTED WITH RHEUMATISM, AND CURED BY BADWAY'S BEADY RELIEF.

Mebbrs Radway & Co., New York City.

Gentlemen: A recent trial of your R. Rehef for Rheumatism proves at to be a sovereign remedy. About four weeks ago! I was seized with Lumbago, and quite unable to standarp. I purchased from Mr. McPherson, abottle of R. h. Kellet, rubbed my back well and obtained immediate relief. The next morning I felt pain in my hip joint and in a few days it became considerably enlarged. I was afraid to ity more of the Kellet, lest it should drive the pain to a more vital part his the body, but as the pain in my joint, knee and auche became so excruinating, I got another bottle of Kadway, and applied It, and washed my whole limbs with it; and I am happy to say with complete success. The intense and unusual cold at his season, I feel has the effect of remewing the pain, but one application of the Ready Relief will banish it. Could I keep my feet warm at all times, I would have nothing to fear from the Riemantism after applying your Ready Relief. I shall occasionally draw attention to the efficacy of your medicines, the result of experience.

Yours truly, JOHN McWINNIE,
